Thanks for reading!

What?

Is this
the Magic
World?

This garden
is one of
the parks to
visit.

Sorry my little
friends, I couldn't
attend today.

Is this the spirit world?

What happened?
The atmosphere
here is...

This place... is rather clean and it makes you feel relaxed! Not only does it seem like Heaven with its surroundings, but it also doesn't have that partially broken fallacious to it.

MAGIC WORLD

SORRY, ISALAH!

EHP

HA-
MARCIAPI

Are you playing soccer?

WHYWHERE
ARE YOU
KICKING ME
TOP

★
YOU ZERV!
I'LL NEVER
FORGIVE
YOU!

★
MARCIA...!

What started with you?

Isak, we
agreed that
you wouldn't
blame me!

Isak, I don't
know what you
intend to do.

...

It seems to
be a place
that even the
spirits won't
go to.

Oh, no!
I did some-
thing really bad!
Nothing else I
could do.

The spirits
all trust me.
I couldn't bring
Isak, the King of
Construction, to
mend it.

I trusted
you a lot,
Maret!

But you had
the nerve to...
I'll punish you
next time!

MARCIA!
THAT STUPID
JERK!

I SWEAR
I'LL SKIN
YOU! JUST
WAIT!

But where
exactly is this
place?

Is this still
the Magic
World?

What just
happened?

Why can't
I fly?

It's
because of
that!

There's a
large magical
southern?

Houou!
Rinnou!

Isn't this an
affiliated
nation from
Heaven?

WHO'S THERE?
SHOW YOURSELF!

Houou! We
need to get so
different!

We're passing
through the new
silly yu are!

Two guardian
angels! After the war
between Heaven and
Earth, we returned to
guard the place.

We can't let
evil spirits
escape.

Guardian
angels? !
Island of
Babel!

They are a
line of the
defenders
of the Dark
World.

We guard the
edge of the world.
The warring Race
worlds are con-
tained.

Up is Race-ya,
Left is the human
world, right is the
Magic World. And
behind is—

—is the
ruined world
that God aban-
doned.

What? Don't
that means...
Behind you
is hell?

Well? Surely it
could be! But it's
not as Heaven
describes it.

There's no
raging fire
or a host
of evil!

Oh? There's
nothing!

What
is your
name?

And what is
your title in
Heaven?

I am one of the
ten chosenest
bright angels,
Lucas

I got my
position after
God created the
human world

Oh? So that
means you're
not really that
important

!

So... what
did you say?

Hee? Angry? How
scary! I'm just stating
a fact, not much!

Fact? Not,
sorry to tell
you, but you
are very inter-
esting!

Paternal
angels aren't
considered
generals before
God, but—

May I ask
what rank
you guardian
angels are?

What did you say? We are...

Guardian angels guard hell and other parts of other world that...

God
Themselves are.

Archangel

Called archangels in the Bible

1 ● *Cherubim*
Called cherubim in the Bible

2 ● *Seraphim*
Called seraphim in the Bible

3 ● *Throni*
Those who rule

4 ● *Dominions*

5 ● *Principalities*

6 ● *Powers*

7 ● *Angel*

Known as angels in the Bible;
people refer to them as guardian
angels

Because they
are so close
with the Dark
World,

their ranking
has gone down
This is some-
thing everyone
knows.

Did you not know
that guardian
angels have been
eliminated from
the hierarchy by
God?

WHATT?
HEAVEN HAS
BOME TOO
MUCH!

WE HAVE
SQUISHED THIS
DARK, COLD
PLACE FOR YEARS
OF THOUSANDS
OF YEARS!

JUST BECAUSE
HEAVEN DOESN'T
UNDERSTAND,
THEY ELIMINATED
OUR RISK COM-
PLETELY!

This
wasn't my
decision.

Willing others
will get you
answers.

Done with revenge!
I feel happier now!

★ ★ ★

WHO
TOLD?

IT MUST BE
SOMEONE
WHO WANTS
TO DOMINATE
US!

Gliding over
the people of
this forbidden
world...

We must be
fine or else it
would be too
easy to get
lost.

The guardian
angels caused
too many
problems.

That's why
Heaven
decided to
demote their
rank from the
hierarchy.

What? But
we were so
eloquent!

How could they?
So the Fallen
angels weren't
thinking at!

Right! At least
we dropped on
Satan now!

Ah?
What?

Guardian
angels being
eliminated
from the
hierarchy...

Was just a bit! But
the betrayed water
surfaced

I'LL
KILL
YOU!

Oh-
you!

I'm only
doing it once
a favor by
doing this!

FLAP!

FLAP!

It wasn't
a mistake! I
really can't
fly!

Finally
achieved!

The seal has
been here for
hundreds of
thousands of
years.

No matter
how powerful
the seal is,
they can't
break it.

That's
why...

So what?
There's no
way I can't
defeat you!

I'll just take
advantage of
the opportunity
and find out
more about the
hidden secrets!
